Stewards:

If your school has been selected to have the OFIP after school tutoring program offered this year please pass the following information on to all staff members.

1. Any ETFO member who participates in this program **shall not be covered by the protection of the federation** for any issue that arises out of involvement in the OFIP tutoring program. As this program is outside of the Collective Agreement and therefore no union dues are paid by members working as Tutors **there will be no legal support if an allegation of misconduct arises** or any other protection offered to any participant.

David Clegg, President ETFO-YR
