

Call for Presenters

ETFO-York Region's Professional Learning Committee is looking for active ETFO-YR members interested in sharing their skills and expertise with their colleagues. Recent experience in presenting workshops/courses designed for elementary educators is recommended.

Background:

Every year, ETFO-YR offers a variety of workshop topics based on member feedback. We are looking for workshops for the 2022-2023 school year. Some topics could be:

- Inquiry-Based Learning
- Assessment and Evaluation
- Mindfulness
- Supporting Students with Exceptionalities
- Arts
- CRRP (Culturally Responsive and Relevant Pedagogy)
- FSL
- Technology
 - STEAM / STEM
 - Coding
- Maker Spaces
- Other

Applicants should have the following:

- Active membership in ETFO / ETFO-YR
- An awareness and understanding of current practices and initiatives
- A thorough knowledge of effective instructional strategies and assessment practices
- Significant experience in presenting professional development for elementary teachers

Application Process:

Interested applicants should send their submission by email to Jen Smalley Higgs at jsmalleyhiggs@etfo-yr.on.ca or via Board courier (ETFO-YR Aurora) to be received at the ETFO-YR office no later than **December 9**, including:

- ✓ A completed application form
- ✓ A current resume (maximum two pages)
- ✓ Reference contact information from two people who have seen you present and can comment on your presentation skills who may be contacted
- ✓ Title of the workshop/course and a brief description (100-150 words)
- ✓ Detailed outline of the **full day (5-hours)** workshop which could include an agenda, slideshow and handouts

Selected workshop presenters will receive confirmation from ETFO-YR in January. Not all applications will be selected. Only complete applications will be considered.

Selected presenters will receive:

- one half day of release time to prepare/plan the workshop
- release time for the workshop(s)
- an enriching and rewarding leadership opportunity
