 **Diverse Picture Book Book Club!** 

The purpose of this book club is to create a space for ETFO-YR members to chat about how they are creating identity-affirming picture book collections. Together, we will discuss how to choose texts and explore texts for consideration.

Each meeting will also highlight **one title! Titles for future sessions will be made available for purchase (at a reduced cost)** to all participants. Purchasing the title through ETFO-YR's Social Committee **will also support a local, independent bookstore.**

Please note: *As a result of rescheduling, we are unable to pre-order the resource for Session 1.*

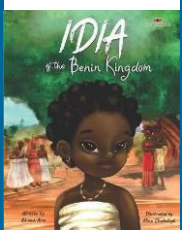

Session 1: Date: June 7th Time: 4:30 - 5:30 pm
